SO
WHAT'S
YOUR
PLAN?

Disaster Drill Planning Session Tue, November 29 7-8:30pm

Fire Station at the corner of Glenwood and Merrill Creek Parkway

What would you do in the first hours of a major disaster? Are you prepared at home? Do you know where important neighborhood resources are?

Your Neighborhood Association wants everyone to be prepared, and you are invited to join in developing a plan for what we can do to help ourselves - the HSG Disaster Drill and Communications Exercise scheduled for December 10.

You can help shape how well our neighborhood will be able to cope with the impacts of disaster.
